

# Request for work (RFW2)

## for mains branch connection(s) to an existing water main

This application form should be used when you are ready for the branch connection for the development detailed below. We will aim to make the connection within 21 calendar days from receipt of your complete Request for work form. For connections with work complexity or legislative restrictions where the connection cannot be completed within 21 calendar days, we will provide an alternative date for the connection within 9 calendar days of receiving a your complete Request for work form.

Please note that this form and/or the information contained in it may be disclosed by United Utilities Limited to OFWAT in relation to this project or otherwise and in signing this form you are hereby consenting to such disclosure.

Please return this form

- by e-mail to **SLOWater@uuplc.co.uk**
- by post to United Utilities, Developer Services Water, Second floor Grasmere House, Lingley Mere, Warrington WA5 3LP.

If you need help or assistance please telephone **0345 072 6067**

Section 1: About you										
SLO company name		MU Ref No								
Your name										
Daytime telephone number

1. Has the signed self lay agreement been returned to UU ?		<input type="checkbox"/> Yes <input type="checkbox"/> No								
2. Are the new road, lines and levels in?		<input type="checkbox"/> Yes <input type="checkbox"/> No								
3. Is the connection area free from obstruction / open excavations?		<input type="checkbox"/> Yes <input type="checkbox"/> No								
4. Are there any traffic management restrictions?		<input type="checkbox"/> Yes <input type="checkbox"/> No								
5. Are there any associated water diversions or reinforcement works, which may impact the installation of the branch connection?		<input type="checkbox"/> Yes <input type="checkbox"/> No								

## Section 5: Declaration

By submitting this form, I confirm:

- I have authority from the landowner to apply for this connection
- The site is sufficiently progressed to identify street layouts to undertake the branch connection
- If UU are unable to complete the work due to an obstruction / open excavation, then an abortive visit charge will apply as per your current charges sheet
- If UU require any remedial work, I understand that this will need to be completed before a new request for work is submitted
- Agree to pay any UU charges resulting from this Request for work

Name of applicant ( <i>please print</i> )									
Signature									
Position									
Date	<table border="1"><tr><td>D</td><td>D</td><td>M</td><td>M</td><td>Y</td><td>Y</td><td>Y</td><td>Y</td></tr></table>	D	D	M	M	Y	Y	Y	Y
D	D	M	M	Y	Y	Y	Y		

### UU use only

Date received	<table border="1"><tr><td>D</td><td>D</td><td>M</td><td>M</td><td>Y</td><td>Y</td><td>Y</td><td>Y</td></tr></table>	D	D	M	M	Y	Y	Y	Y
D	D	M	M	Y	Y	Y	Y		
UUW Ref No.									

### About us

United Utilities is the North West's water company. We keep the taps flowing and toilets flushing for seven million customers every day. From Crewe to Carlisle, we work hard behind the scenes to help your life flow smoothly.
