Brief details of proposed work	

## Declaration

<b>Print name:</b>	<b>Signed:</b>	<b>Date:</b>
--------------------	----------------	--------------

**Please submit all Regulation 5 notification forms to the Water Fittings Regulations Team.**

You can email the form to us at: [WaterFittingsRegulations@uuplc.co.uk](mailto:WaterFittingsRegulations@uuplc.co.uk)

or post them to us at: Water Fittings Section, Warrington North WwTW, Barnard Street, Gatewarth Industrial Estate, Sankey Bridges, Warrington WA5 1DS

**Please also enclose the following items with this notification:**

- 1) map detailing the location of the proposed work
- 2) schematic diagram (showing fittings and pipe work)
- 3) list of proposed fittings, materials and appliances to be installed

# Regulation 5 notification form

## Reason for notification

Tick

1. **The erection of a building or other structure, not being a pond or swimming pool.**  
Please visit our [website](#) if you require a new water connection.
2. **The extension or alterations of a water system on any premises other than a house.**
3. **A material change of use of any premises.**
4. **The Installation of:**
  - a) a bath having a capacity, as measured to the centre line of overflow, of more than 230 litres;
  - b) a bidet with an ascending spray or flexible hose;
  - c) a single shower unit (which may consist of one or more shower heads within a single unit), not being a drench shower installed for reasons of safety or health, connected directly or indirectly to a supply pipe which is of the type specified by the regulator;
  - d) a pump or booster drawing more than 12 litres per minute, connected directly or indirectly to a supply pipe;
  - e) a unit which incorporates reverse osmosis;
  - f) a water treatment unit which produces a waste water discharge or which requires the use of water for regeneration or cleaning;
  - g) a reduced pressure zone (RPZ) valve assembly or other mechanical device for protection against a fluid which is in fluid category 4 or 5; **please forward a copy of this form to [RPZ@uuplc.co.uk](mailto:RPZ@uuplc.co.uk)**
  - h) a garden watering system unless designed to be operated by hand; or
  - i) any water system laid outside a building and either less than 750mm or more than 1350mm below ground level.
5. **The construction of a pond or swimming pool with a capacity greater than 10,000 litres which is designed to be replenished by automatic means and is to be filled with water supplied by a water undertaker**

## Regulation 6 (Contractors certificate)

- 1) Where a water fitting is installed, altered, connected or disconnected by an approved contractor, the contractor shall upon completion of the work furnish a signed certificate stating whether the water fitting complies with the requirements of these Regulations to the person who commissioned the work.
- 2) In the case of a fitting for which notice is required under paragraph 5 above, the contractor shall send a copy of the certificate to the water undertaker.

Further interpretation and advice can be found on the Water Regs UK website: [www.waterregsuk.co.uk](http://www.waterregsuk.co.uk)
